## BALANCING THE SCALES OF JUSTICE IN FAVOR OF THE PRACTICE OF GOOD MEDICINE

As the nation's largest physician-owned medical malpractice insurer, with 82,000 members, we constantly monitor emerging trends and quickly respond with innovative solutions.

When our members face claims, they get unmatched litigation training tailored to New York's legal environment, so they enter the courtroom ready to fight—and win.

## WHAT SEMINAR ATTENDEES ARE SAYING

"I would recommend this course to all our physicians."

—*Medical Group Administrator*

"This program was useful in developing tools to assist our medical staff members when facing litigation."

—*General Surgeon*

"This has been invaluable. I have never been to a deposition and have been searching for a way to learn more about the process to be better prepared and prevent the easy mistakes we all can make."

—*Plastic Surgeon*

"I found this seminar to be very helpful and reassuring. I think the most prominent concern for doctors is preparation for the deposition. I think that the attorneys would prepare us well for that gauntlet."

—*Plastic Surgeon*

## WE'RE TAKING THE MAL OUT OF MALPRACTICE INSURANCE

As the nation's largest physician-owned medical malpractice insurer, we know what keeps you up at night—from the complexities of a changing healthcare environment to the ever-present threat of litigation. We are devoted to supporting the medical profession and partnering with those who provide care. That's malpractice insurance without the mal.
