Important Information on Deductibility of Dues

NYSSPS dues are not deductible as a charitable contribution for federal income tax purposes. Dues may, however be deductible as a business expense. Please note: in compliance with federal tax law, we must notify you that the portion of your dues representing lobbying expenses is not deductible. We estimate that approximately 20% of the dues paid to NYSSPS for 2021 cannot be deducted by our members as a business expense for federal income tax purposes. While we regret that this portion of your dues is non-deductible, it is vitally important that NYSSPS continue to advocate aggressively for the rights of Plastic Surgeons and their patients.

Your information will be published on the NYSSPS Online Membership Directory.
